COLLEGE FINANCIAL AID RESOURCES FOR FORMER FOSTER YOUTH

Voice for Adoption (VFA) receives many requests from students and adoptive parents who are looking for resources for college scholarships and other financial aid resources. This list provides information about potential financial aid opportunities. Please note that the eligibility criterion varies. Some of the resources below pertain to adopted youth while others are targeted toward youth who emancipated from foster care.

1. Fostering Adoption to Further Student Achievement Act (Public Law 110-84): This law made it possible for teens in foster care to be adopted without losing access to college financial aid. Under this law, youth who are adopted from foster care at any point after their 13th birthday will not have to include their parents' income in the calculation for determining their need for federal financial aid. The law revised the definition of "independent student" and the definition now extends to youth who were in foster care on or after their 13th birthday, even if they have subsequently been adopted (refer to question #52 on the FAFSA form. See the resource below on how to access FAFSA.). To learn more, visit: http://voice-for-adoption.org/sites/default/files/FAFSA%20factsheet_updated2010.pdf

2. Free Application for Federal Student Aid (FAFSA): Federal Student Aid, a part of the U.S. Department of Education, is the largest provider of student financial aid in the nation. At the office of Federal Student Aid, employees help make college education possible for every dedicated mind by providing more than $150 billion in federal grants, loans, and work-study funds each year to more than 15 million students paying for college or career school. Federal Student Aid is responsible for managing the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965. These programs provide grants, loans, and work-study funds to students attending college or career school. To complete a FAFSA application visit: http://www.fafsa.ed.gov/

3. Chafee Education Training Vouchers (ETV) - Fostering Connections to Success and Increasing Adoptions Act (Public Law 110-351): This law extended eligibility for Education Training Vouchers (ETV) to youth who exit foster care to kinship guardianship at age 16 or older (these funds are also available to youth who are adopted at age 16 or older). ETV is an annual federal grant provided to states to provide funds to former foster youth who are enrolled in college, university and vocational training programs. Students may receive up to $5,000 each year based on cost of attendance and available funds. To learn more about ETV requirements and state information, visit: https://www.statevoucher.org/index.shtml

Special Note - Understanding Loans: Loans are not free money and are required to be paid back in full, sometimes with interest. There are typically two types of loans offered to students, subsidized and unsubsidized. Subsidized loans do not accrue interest while you are in school or during future deferment periods. While unsubsidized loans begin accruing interest from the time the loan is disbursed to the school. Students should never accept loans just because they are offered. Before agreeing to accept a loan students should discuss the need to take out loans with a representative at a school’s financial aid office or some other knowledgeable parent or supportive adult.
